Dear Dr Busby

**Full Title of Study:** The Mobile Malaria Project

**OxTREC Reference:** 554-18

Thank you for your email of the 17 October 2018, and for your minimal risk application form.

I am pleased to confirm that approval has now been granted for this study. This is valid for the first five years and is subject to receiving the local ethical approval (if this approval has not yet been received).

The documents approved for this study are as follows:

Documents:	Version:	Date:
Minimal Risk Application Form		

Any subsequent changes to the application must be submitted to the Committee as an Amendment. This should include a letter to give the reasons for the proposed modifications and all revised documents with changes tracked.

Please ensure that you submit a completed Annual Report form on every anniversary of this approval and a final End of Study Report. The relevant forms can be found on the OxTREC website: <https://researchsupport.admin.ox.ac.uk/governance/ethics/apply/oxtrece>.

Finally, please note the following **important information**:

## **Data safety—all studies**

It is the responsibility of the PI to ensure that all data collected during the course of the study is stored and transferred safely and securely. Further guidance and advice is available from the [Research Data Team](#).

## **Studies that will involve storing human tissue samples in Oxford**

As you are planning to import the samples into England, you will need to make arrangements before the samples are transferred to store them under the governance of a Human Tissue Authority (HTA) licence. It is a legal requirement that any tissue or fluid made up of or containing human cells to be used for the purpose of research is stored on premises licensed by
